CeBIT 2010 CHIEFTEC - Hall 17 Booth C58

10

An industry in transition. From the 2nd to the 6th of March, the IT world meets at the CeBIT 2010 in Hanover. Of course, also the ARENA / CHIEFTEC will attend...thereby celebrating its 20th anniversary.

This year however, you'll find us in Hall 17 Booth C58 in a totally new "look and design" which reflects "the dawn of a new decade in style".

Several new innovations from the house CHIEFTEC will be presented during the CeBIT first time, to the worldwide audience. The presentation of as many as a line-up of entirely new chassis as well as the new complete high-efficiency power supply, Series "Nitro" covering the range of 350W up to 950W and various innovations in the accessories segment.

We look forward to welcome you at our booth !!

Sincerely your ARENA/CHIEFTEC TEAM
